Agenda

| | | |
|---|---|---|
| March 23, 2023 | Meet and Greet – 6:30pm – 7:30pm Martini Bar, 4th Floor | |
| March 24, 2023 Educational Sessions Conference Center 3rd Floor | Time | Topic |
| | 9:00am – 10:00am | Update in Adult Vaccines |
| | 10:00am – 11:00am | How to respond to Antivaxxers and strategies to overcome Vaccine Hesitancy |
| | 11:00am – 12 Noon | Antimicrobial Stewardship and review of newly approved antimicrobials |
| March 25, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| March 26, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| March 27, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| March 28, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| March 29, 2023 | No Events Today | |
| March 30, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| March 31, 2023 Educational Sessions Conference Center 3rd Floor | Time | Topic |
| | 9:00am – 10:00am | Update on Pneumonia |
| | 10:00am – 11:00am | Update on Skin Infections |
| | 11:00am – 12 Noon | Update on Sexually Transmitted Diseases |
| April 1, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| April 2, 2023 Educational Sessions Conference Center 3rd Floor | Time | Topic |
| | 8:30am – 9:30am | Infectious Complications of the Opioid Epidemic |
| | 9:30am – 10:30am | Emerging Infections |
| | 10:30am – 12:30pm | Cases and Pearls for Infectious Diseases |
| April 3, 2023 | 5:30pm – 6:30pm | Networking and Case Discussions – Cellar Masters, 5 th Floor |
| April 4, 2022 | Have a Safe Trip Home | |

Preliminary Agenda – subject to change.

Faculty

Thomas M File Jr., MD, MSc, MACP, FIDSA, FCCP
Chair, Infectious Disease Division
Co-Director, Antimicrobial Stewardship Program
Summa Health, Akron, OH
Professor, Internal Medicine; Master Teacher; Chair, Infectious Disease Section
Northeast Ohio Medical University (NEOMED); Rootstown, Ohio
Past President, Infectious Diseases Society of America

Dr Thomas File is Chair of the Infectious Disease Division and Co-Director of Antimicrobial Stewardship at Summa Health in Akron, Ohio and Professor of Internal Medicine, Master Teacher, and Chair of the Infectious Disease Section at Northeast Ohio Medical University.

Dr File is a past President of the Board of Directors of the Infectious Diseases Society of America (IDSA) and Past President of the National Foundation for Infectious Diseases (NFID). He is a Master of the American College of Physicians, a fellow of the American College of Chest Physicians, and a member of the American Thoracic Society. He is a past Chairperson of the Standards and Practice Guidelines Committee of the IDSA and served as a member of several guideline panels. He is a past-president of the Infectious Disease Society of Ohio.

Primary research interests that Dr File has pursued include respiratory tract infections, antimicrobial stewardship, immunizations in adults, and evaluation of new antimicrobial agents. A frequent lecturer nationally and internationally, he has published more than 250 articles, abstracts, and textbook chapters, focusing on the diagnosis, etiology, and treatment of infectious diseases, especially on respiratory tract infections and antimicrobial stewardship. He received the Watanakunakorn Clinician Award from the IDSA in 2013 and the John P Utz Leadership award from NFID in May 2017. He authors sections on community-acquired pneumonia, acute bronchitis, and hospital-acquired pneumonia in UpToDate. He is Editor-in-Chief of Infectious Diseases in Clinical Practice.

Disclosures

Continuing Education, Inc., seeks to ensure balance, independence, objectivity and scientific rigor in all of its sponsored educational activities. CEI has no relationships with the manufacturers of products or devices discussed in these presentations. None of the planners of this educational activity has any relevant financial relationships to disclose.

Speakers participating in CME programs are asked to disclose any involvement with commercial organizations and their responses are indicated below. In addition, any unlabeled or investigational uses of pharmaceuticals or equipment must be identified to participants during presentations. The existence of commercial relationships does not prevent speakers from making presentations. The intent of this CEI policy is consistent with requirements of the Accreditation Council for CME and is designed to provide complete information to the audiences. Participants must make their own judgments about the content of presentations in light of these disclosures and determine if possible bias or misrepresentation has occurred.

Faculty members further affirm (1) that all recommendations involving clinical medicine given during presentations are based upon evidence that is accepted within the profession of medicine for the care of patients, (2) that any scientific research referred to in support or justification for a patient care recommendation conforms to the generally accepted standards of experimental design, data collection and analysis, and (3) that they will not present recommendations, treatments or manners of practicing medicine that are not within the definition of CME, or are known to have risks or dangers that outweigh the benefits, or are known to be ineffective in the treatment of patients.

Thomas M File Jr., MD, MSc, MACP, FIDSA, FCCP

Dr. File has reported no relationships with ineligible companies and has agreed to identify any off-label or investigational uses of pharmaceuticals or equipment referenced during all presentations.

Accreditation Statements

Joint Accreditation

In support of improving patient care, Continuing Education, Inc./University at Sea™ is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Designation: Continuing Education, Inc. designates this live activity for a maximum of 16 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Pharmacists

Designation: Continuing Education, Inc. designates this live activity for a maximum of 16 ACPE Credits.

Nurses

Designation: Nurses completing this educational activity will receive a maximum of 16 contact hours.

Disabilities among participants

Continuing Education, Inc., and Celebrity Cruises do not discriminate against persons on the basis of disability and seek to accommodate, to the extent possible, the special needs of persons with disabilities. Travelers need to be aware, however, that certain land and shore facilities may not be fully accessible to disabled persons. Special medical, physical or other requirements must be identified at the time of booking. The CEI Activity Coordinator accompanying this program will provide assistance for participants and liaison with the ship's company.

Topics and Objectives

Program Purpose:

This educational activity will provide information about current approaches for diagnosis, prevention and treatment of common infectious diseases. Upon completion, participants should be able to understand the recommendations and rationale behind treatment of common infections. This course is designed to explore major areas in infectious diseases which are impacting generalists

- **Review of Adult Vaccines**
 - Provide optimal preventative vaccines to patients
- **How to respond to Antivaxxers and strategies overcome Vaccine Hesitancy**
 - Utilize evidence-based strategies to overcome vaccine hesitancy
- **Antimicrobial Stewardship and review of newly approved antimicrobials**
 - Better utilization of antimicrobials to result in better outcomes for patients

The next group of topics will highlight newer recommendations concerning the diagnosis and management of these infections to result in better patient outcomes

- **Update on Pneumonia**
- **Update on Skin Infections**
- **Update on Sexually Transmitted Diseases**
- **Infectious Complications of the Opioid Epidemic**
 - Recognize infectious complications of opioid use disorder
- **Emerging Infections**
 - Better recognize emerging infections
- **Cases and Pearls for Infectious Diseases**
 - Increase skills for recognizing and management of specific infectious diseases
